## OUR NURSING HOME

Our well-trained and dedicated healthcare professionals are guided by the best evidence-based practices and by the philosophy of “*Always Residents First*”. From serving nutritious meals in our spacious communal dining halls to the planning of recreational activities, we pay attention to the smallest details to ensure our residents feel right at home.

## CHOICE OF ROOMS FOR EVERY NEED

There are over 900 beds across 5 nursing homes with a range of bed types:

- Premium Suites
- Single Rooms
- 2 Bedded / 4 Bedded Room
- Common Wards

## OUR AMENITIES

### Rehabilitation Centres

Our rehabilitation centres are found within each nursing home and operated by a team of certified physiotherapists and occupational therapists. They offer customised rehabilitation programmes to aid optimum recovery for our residents.

### Central Kitchen

All meals are freshly cooked daily at our Halal-Certified central kitchen for all our homes. For lunch and dinner, our residents can choose from seven different types of nutritious meals.

### Multi-purpose Halls

Designed to promote interaction among residents, our multi-purpose halls encourage our residents to socialise via games, interactive activities and visitations.

### Community Gardens

From cotton plants to rock melon plants, our award-winning community gardens bring nature close to our residents. Our gardens also provide an opportunity for our residents to grow different types of plants through our adopt-a-plant project.

## OUR PEOPLE

At Orange Valley, we take pride in our team of professionals who are committed to the highest standards of care and expertise.

Beyond our highly skilled and qualified expertise, we also recognise the importance in providing quality care service for our residents. Our team of attending nurses, physiotherapists, occupational therapists, dietitians and healthcare assistants work collaboratively to provide you a consistent and extraordinary customer experience personifying the phrase “Care From The Heart”.

## OUR SERVICES

### RESIDENTIAL NURSING CARE

Our nursing homes are staffed by a dedicated team guided by the best nursing practices. Types of care we provide at our homes include:

### Long-Term Care

Our residents receive 24-hour nursing and clinical care from professionally-trained nurses and care staff with a strong compliance to Healthcare Services Act.

### Respite Care

Also known as short-term care, our professional care team provides convalescent, step-down nursing care and physiotherapy to help residents recover post-surgery. This arrangement is also ideal for caregivers who require temporary relief from their daily routines.

### Dementia Care

We have professional caregivers who specialise in managing elderly with dementia. We aim to improve both well-being and quality of life for persons with dementia.

### Rehabilitative Services

Operated by a team of Allied Health Professionals, Orange Valley offers specialised rehabilitation programmes to aid optimum recovery for residents. Both physiotherapy and occupational therapy are crucial in supporting our residents to keep living active lives.

### Resident Activities

Be it daily morning stretches or our afternoon recreational activities, Orange Valley is abuzz with action for our residents. Spacious multi-purpose halls host hands-on art & craft sessions as well as interactive games and pet therapy sessions.

## ACTIVE AGEING CENTRES (AACs)

Orange Valley Active Ageing Centre (ACC) (Care) and Active Ageing Centres provide a range of services which support our seniors in the community. The centres are located within the neighbourhoods which allow seniors to have access to integrated health and social care that help them age healthily. These are the services we provide:

### Senior Care Centre Services:

- Maintenance Day Care
- Dementia Day Care
- Community Rehabilitation

### AAC Services:

- Active Ageing Programmes
- Befriending Services
- Care Referral Services
- Social Connectors
- Community Screening
